

# Online Host Program

I am so excited you've decided to host your online Tupperware party with me! My hosts are truly the STARS of my business! My goal is to help you earn EVERYTHING on your full catalog-wish list for FREE or half-off, and these FIVE simple steps will help us achieve that goal!

- 1★ Keep our scheduled date and time for your online party.
- 2★ Have at least 10 of your invited guests “check in” to your online party during the 30-minute LIVE portion. Don't forget to invite FRANK!
- 3★ Have at least 2 guests schedule their own online Tupperware party with me within 21 days of your party date.
- 4★ Schedule a call with me within 24 hours of your party to ask me everything you want to know about my business.
- 5★ To earn the final star, you may select one of the following:
  - a) Have at least 1 guest “blind date” a party with me, (your guest confirms their future party date within 21 days of yours, prior to your online party).
  - b) Have at least 5 guests (unable to attend your online party) contact me with their order at least 24 hours prior to your online party.
  - c) Have at least 1 friend join our phone call within 24 hours of your party to ask everything you both want to know about my business.

When you earn all 5 stars, you'll receive a bonus host award from me PLUS you will enjoy a 10% discount with me for the duration of the current full catalog. When you join my team prior to your party, we will enter the party to your new account, giving you ALL of the host rewards PLUS the sales credit to help you pay off your kit through our Confident Start program!

I'm always just a phone call, text or email away, so please let me know if you have any questions!
