4 TIPS FOR A SUCCESSFUL CATALOG SHOW!

As my hostess, I want to make sure I am doing my part as your consultant to ensure that you have the best party ever so that you can get your wishlist for FREE!
You can't find a better deal!

1. Take your catalogs, brochures and order forms with you everywhere you go!
2. Don't forget to participate in your Facebook event (if we have one set up for you) and **personally** ask your friends & family to click JOIN so they'll see the posts!
3. Get at least 20 orders from friends & family while you're out and about! If you do, we can surely hit that \$1000 party level together!

Let's do it!!! I can't wait to see all the FREE Tupperware we're going to get you! Remember - when your party sales total \$1000, you will earn \$200 in FREE products, 3 products for Half-Off and up to 2 Hostess Exclusive Items, PLUS a Thank You Gift!
