

## Let's Have Fun!

This fun party is a great theme for the summer. You can do it around the pool, on the patio, or even at McDonald's. Because it's a casual, fun theme, you can even suggest it as a quick, instant party. Just tell your Host to phone, text and post on Facebook and you're ready to get the party started!

- 1) Invite all your friends and family and tell everyone to wear Flip Flops and come on over for some fun and food.
- 2) Ask everyone to bring their favorite summertime recipe to "Flip-Flop" with someone.
- 3) You may talk about Flip-Flopping a favorite traditional recipe to make it a fast, easy "Tupperware" recipe.

## Draw the Lake Game

- Hand out a sheet of blank paper and a crayon, marker, or pen to everyone.

"Let's pretend we're wearing our Flip Flops to the Lake today. We're going to draw our fun day at the lake. Now, everyone look at me....not at your paper. Let's begin. Draw the lake in the middle of the paper. Great....now put a picnic table on one side....now a campfire. Oh...let's put a pier in the water. Let's come back and put some Tupperware on the table. Draw you and your family or friends having fun. Now tie a boat up to the pier. And, it's such a beautiful day, put a sun in the sky and big fluffy cloud.

Okay, take a look at your drawing. (Give a gift for the best or just give everyone a gift.) This is a great opening to demo all the Tupperware products that work well for all your summer activities from a picnic at the lake to a barbecue in your backyard. Tupperware Hosts can get so....much FREE.

## Dating Game

- Hand out a small paper bag with a small tiny treasure item in each one to each person as they arrive.
- Have a few larger bags (maybe 2 or 3) with a larger item in it (like a past dating gift bowl, etc.) on your display.
- Tell them not to open their bag yet. They will have an opportunity to "FLIP FLOP" their bag later.

When you're ready to play the game ... "Okay everyone. Now, let's get out your bags. It's time to decide if you want to "FLIP FLOP" your bag. Your bag has a nice gift inside. I'm sure you'll like it. However, I have on my table a few "LARGER" bags. If you date a party today, you can "FLIP FLOP" your small bag for one of my LARGER bags.

Review the Host offers and remind them that their Host today needs 2 datings for her special gift. After any FLIP FLOPS are done, they can open their bags.
