

➡Left And ➡Right Game

Supplies Needed:

Piece of Tupperware that you have wrapped up with cellophane

This is a great game to be played at the very beginning of your demonstration. Ask guests to form a circle. Tell them every time that they hear the words Left or Right the need to pass a piece of Tupperware to their left or right. The last person holding the Tupperware wins it.

I **Left** my house tonight on my way to ___'s house, but I **Left** the directions **Right** by the phone. **Right** away I knew that I needed to have the **Right** directions to ___'s house. So I turned **Left** and I turned **Right** and made my way back to my house for the **Right** directions. Sure enough they were **Right** where I had **Left** them **Right** next to the phone. Finally I was on the **Right** track. I arrived **Right** on time to set up my display **Right** over here.

You all arrived and sat **Right** down. I'll get **Right** to work and tell you all about our exciting new products, hostess programme and income opportunity. I hope nothing will be **Left** Out. In a moment I will be showing you our *(feature of your demonstration or brochure specials)*.

Maybe you'd like to take advantage of our Hostess programme and receive lots of Free Tupperware or if this is the **Right** time for you to explore joining Tupperware as a Consultant; please talk to me **Right** after the demonstration about all the benefits.
