HOW TO HAVE A \$1000 PARTY

1. SET YOUR GOAL AT \$1200 IN PARTY SALES and 2+ datings. That's 10-12 people at the party and 10-12 outside orders of \$50.

2. OVER-INVITE! Only about one third of your friends will be able to make it, so invite everybody who is living, breathing and eats! Try to fill both address lists you will be returning to me within the next 72 hours.

3. PERSONALLY CALL YOUR GUESTS TO INVITE THEM.

As you're running into friends or give them a quick 2 minute phone call letting them know about your party. It has been our experience that this makes all the difference! It's the most important hint I can give you. When talking to friends:

- a. Let them know that there are new products, sales, specials and bonuses.
- b. Ask them to bring a friend along for a special gift

4. PUT THE CATALOGS IN THE HANDS OF THE PEOPLE and they will order. Give a catalog to your husband/roommate or anyone who works somewhere other than where you work. Many people have great success in sending a few books to their kids' school with notes attached to the teacher or Classmate's Moms.

5. SET A GOAL OF 10 -15 ADULT GUESTS IN ATTENDANCE.

6. TRY TO COLLECT \$250 - \$400 IN OUTSIDE SALES BEFORE YOUR PARTY; it's not hard at all to do. Just a little work and few phone calls will do the trick!

7. EXCITEMENT is contagious!

I'm excited to be spending an hour or two with you and your friends to show you something really new, neat and exciting. It's SO easy to have a \$1000 party. Good luck.
