# BUILD the PEOPLE.

## Be like Brownie.

The annual **Brownie Wise Recognition Program** celebrates achievements in personal recruiting.

Former Vice President and first lady of Tupperware, Brownie Wise, loved to say that "If we build the people, they'll build the business." Being a great leader, at any level, means supporting and building confidence in your new Consultants.

The top recruiters from each region during the qualification period will take the stage at Jubilee 2019 to accept the unique Brownie Wise trophy.

To be counted in this program, the new Consultants must submit two standard parties\* or more within their first 60 days. When you encourage your new Consultants to work toward their goals in their Confident Start Program, you're helping them build a strong foundation for their Tupperware businesses and setting yourself up for big success.

By earning the **Brownie Award**, you become a part of Tupperware history to be celebrated for years to come.

\*Qualification is based on total personal sales. The standard party amount is \$500.

Must be in attendance at Jubilee 2019 to be recognized. For Consultants through Organization Leaders.
