

Are you UP to party?

HOW (AND WHY) TO ENTER YOUR PARTIES UP.

We would love for you to frequently update your **parties up** (AKA your **party lineup**), which refers to how many parties you have dated into the future.

WHY?

Doing so helps keep your Director up-to-date on how best to support you in achieving your goals. It also helps your Home Office Team (that's us!) more accurately predict your customers' orders as well as plan how many Sales Force awards to order.

WHAT'S THE USE IN BEING A SOCIAL BUTTERFLY IF YOU'RE NOT BRAGGING ABOUT IT?

HOW?

There are **three** easy ways to quickly update your parties up.

OR if you're subscribed to our SMS (text messaging) service*, you can update your parties up by texting the keyword PARTY followed by a date, using the MMDDYY format, and the number of parties scheduled for that week to TWARE (89273).

Example: **PARTY 020314 3**

You will receive a text confirmation, and updates will be visible on your Personal Summary screen in My Sales.

*To subscribe, text SUBSCRIBE followed by your Consultant ID to TWARE (89273) or, in My Sales, navigate to Sales Force > SMS Subscription to enter your mobile number.

Update via Mobile My Sales (which you can access through your mobile browser at m.tupperware.com or connect via T-App). Select the grid-like menu in the upper right-hand corner and select Parties Up.
