## Step 4: Choose your award based on your total loyalty points by clicking purchase next to your selection.

### Tupperware Card Rewards Program

When you register for the Tupperware Card, all payments using the Tupperware Card earn points for you: one point for each dollar you spend. For every 3,000 points, you'll earn \$30 in credit towards Tupperware products or other promotions that may be offered for a given period of time. Plus, if you have already registered and are using your Freedom Card, you have already accumulated points.

You may redeem your loyalty points for one of the following coupons:

- Printed Materials Pack: Includes 1 pack of catalogs and 1 pack of Flyers.
- Tiny Treasures Pack: 1 bag of Tiny Treasures guest gift assortment (substitutions may occur).
- \$30 Retail Value Tupperware Gift Certificate to be used when ordering Tupperware® products featured in the current catalog.
- You may also choose to accumulate points for higher rewards certificates to redeem at a later time.
- After redeeming points for a coupon, you must order that product from Tupperware. The product is not shipped until you have completed your order with Tupperware.

**Step 9: Click verify on the bottom of your screen. Move forward with your order as normal until getting to the party summary page. Submit order.**

**\*If you receive a red error message after clicking verify, you will need to fix this error before moving forward.**

**If redeeming for a \$30 gift certificate, products must be regular priced items (not on sale or under sales aids) or you will see an error.**

**If you are redeeming for a printed product pack (a pack of catalogs and sales brochures), you may get a red error followed in item numbers. In this case, you need to type in the item number for your language (one will be English, one will be Spanish). These item numbers will be in red within the error message. You may have to scroll down by your coupon number to see both item numbers. Type in the item number you need under item, then quantity 1. Click verify, then move forward with your order.**
