Idea 1: Mommy and Me Recipe Party 😊

At this fun party you will make an easy recipe that involves your children. Live it up laughing, cooking and creating precious memories!

Caramel Corn

This recipe makes about 10 cups caramel corn. Make single batches. *Do not double this recipe.*

Ingredients:

- 1 bag (3 oz.) microwave popcorn (popped)
- 1/4 cup butter (1/2 stick, cut into pieces)
- 1/2 cup packed light brown sugar
- 2 Tbsp. light corn syrup
- 1/4 tsp. Salt
- 1/4 tsp. baking soda

Have your Host supply the ingredients. You bring the products to the make recipe. Allow the children to mix and stir ingredients during your demonstration by coming up one at a time. You can also set up different baking stations where each guest and child makes their own batch. In this case, be sure that each pair brings their own popcorn. Be sure to provide your Host with a copy of the recipe to give to all guests prior to the party.

Cherry Chocolate Fudge

This recipe makes about 4 dozen pieces.

Ingredients:

- 1/3 cup finely chopped Maraschino cherries, well drained
- 1/2 cup butter (1 stick cut into pieces)
- 3 2/3 cups powdered sugar (1 lb. box)
- 1/2 cup unsweetened cocoa powder
- 1/3 cup evaporated milk

4. Cover; refrigerate until firm. Use foil to lift fudge out of pan; cut into squares. Seal and store leftover fudge in Tupperware® containers in refrigerator.

Idea 3: Secret Scratch-Off

Surprise Shopping!

Children love to shop on their own for Mommy's present! This cool idea of Surprise Shopping can be implemented into either Idea 1 & 2 or to any other holiday party idea.

Once a customer places an order, she will give her child \$5. The child then pays the Manager or Consultant \$5 to scratch off a circle from the "Let it Shine" Scratch-Off card. Each "gift" should already be wrapped and assigned a number. Once the circle has been scratched, it will reveal a number. Match the number with the wrapped gift and give the child the gift s/he won!

If you decide not to have the gifts wrapped, allow the children to go into another room, scratch off a circle and let her/him wrap the gift her/his self. Be sure to bring (or have your Host provide) wrapping paper and tape. You can go all out and provide construction paper too for card making! Don't forgot crayons and markers. 😊

Materials Needed:

- 1 "Let it Shine" Clearance Scratch-Off Set
 - Contents: 12 Tupperware® products
 - 1 Flyer
 - 1 Scratch-Off card

OR

Any product from your Cash –N– Carry stash. Products should be priced at \$5. Only the children are permitted to participate in "Surprise Shopping" for her/his Mommy, but make it a surprise! Have the product already wrapped.

Positioning

Say to the children, *"Who wants to go shopping for Mommy? Come with me."*

After collecting the children, take them to another room. Have the children pay \$5 and then allow them to pick any gift from the table. Be sure that construction paper, markers and crayons are provided too. That way s/he can make a card to accompany the gift for Mommy!

Helpful Tip: Begin your party promoting the "Let is Shine" Scratch-Offs or the Cash and Carry Secret Shopping. Explain that only those who placed an order can participate in Secret Shopping.
